**Commissioner for Patents**

During a telephone conversation with the Examiner some time last week, Applicant indicated that an IDS was filed on January 21, 2004, but was not made part of the record. Applicant indicated that they would file a submission providing evidence that the IDS was in fact filed. On April 27, 2009, Applicant filed a copy of the date stamped receipt card evidencing receipt of the IDS by the USPTO on January 21, 2004. The Examiner finds Applicant's submission satisfactory and thus, has initialed and considered the IDS, which is attached hereto.
